Hadley - Mass -
dec. 2. 1903

My dear Daughter: Your last
Postal was received a few hours
and read
ago and after indulging
in a good cry - and with tear
dimed eyes - I will attempt
to write you - You say you
are in the Hospital. but
you do not tell the cause
of your being there:
I surmise it all - but yet
I may not be correct - but
I pray that - what - ever
the cause and trouble
may be that - God in
his great mercy - will.
deliver you out of it all.

and restore you to health
again - He has dealt by
you in many troubles
and afflictions - and
sorrows - and I will
pray and trust - he will
in this trouble, and
I will anxiously wait
to hear from you - my
dear child.
Enclosed you will find
Mabels last letter - Juka
You have one more recent
than this - I may enclose
Dennis last - also one
from Your Aunt Sarah
